# ILLUSTRIOUS NOBLE,

## ATTENTION.

A great caravan of unregenerate Sons of the Desert have arrived at the outskirts of the Oasis of Jackson and are crying loudly for permission to enter and obtain shelter within the spacious tents of the Nobility.

**SO LOUD** and so long have been their cries as to cause the heart strings of our Nobles to vibrate with pity: so violent have these vibrations become that some of the strings have broken and others are so badly twisted up, so the faithful have gathered themselves together and lifted up their voices in a loud appeal to our great Scheriff Sultani for counsel and assistance.

**Our Nobles are making great preparations for our reception and you will never forget the day you visited Jackson .·.**
